

Volunteer with BIG Alliance

BIG Alliance works with businesses and their employees to support the local community of Islington through various volunteering opportunities.

Whatever your interests are,
there's something for everyone!

Education

Our flagship education programme, Mentoring Works, matches volunteer mentors with students in secondary schools, colleges and sixth forms. We also organise bespoke workshops, career insight visits and support students to find work experience placements.

Business Skills

Use your existing expertise in fields like Marketing, Comms, Finance, IT and HR, to support the community organisations. You could join a board of trustees, coach a community leader, or take on a strategic challenge in a team of volunteers, to name just a few opportunities.

Team Challenges

A rewarding team activity which helps to create, maintain and transform community spaces across Islington, such as parks and adventure playgrounds.

opportunities:

Frontline Volunteering

Our community partners support a range of beneficiaries. Together, we offer a variety of activities, such as coffee mornings, conversational English workshops, and digital literacy training.
